WELCOME!

When completed, the 27-mile trail will run from the southern edge of Leelanau County through the Sleeping Bear Dunes National Lakeshore to Good Harbor Bay. The first four-mile section between Glen Arbor and the Dune Climb is completed.

The Sleeping Bear Heritage Trail provides a safe, non-motorized, multi-use transportation alternative connecting the Lakeshore's main visitor destinations with Glen Arbor and Empire. The trail gives walkers, wheelchair users, cyclists and cross-country skiers a safe, enjoyable and car-free way to access and explore the Lakeshore and neighboring communities.
